with 120 additional Credit-Hours, and a  
Postgraduate Diploma, with  
300 additional Credit-Hours.**

## **Postgraduate Course Objectives.**

By the conclusion of the specified learning and development activities, delegates will be able to:

- Deconstruct the role of finance and accounting in an Oil and Gas Organisation;
- Demonstrate a heightened ability to analyse their company's performance, as an oil and gas player or regulator;
- Demonstrate a heightened understanding of salient accounting concepts and governance;
- Demonstrate a heightened understanding of the differing levels of Financial Reporting Regulation and Standardization, as they apply to Oil and Gas Accounting;
- Demonstrate a heightened understanding of the differing levels of regulation and standardization applied to Oil and Gas accounting;
- Demonstrate the most appropriate contract formulation for Take-or-pay thresholds, accounting, transportation agreements, tariffs, reserving pipeline capacity, respectively;

- Demonstrate their ability to determine the extent to which financial measurement techniques such as full cost, successful efforts and reserve recognition can be used to evaluate oil and gas producing operations;
- Determine the roles and interplay of the Governments of territories containing hydrocarbon reserves, National Oil Companies, International Oil Companies, the Major Product Suppliers, the Engineering & Contracting Companies and the Service Companies,
- Exhibit a heightened understanding of the requirements of International Financial Reporting Standards;
- Exhibit their ability to manage risk effectively in oil and gas project contracts, averting pitfalls of key contractual clauses;
- Exhibit their ability to utilise Advanced Financial Measurement Techniques such as full cost, successful efforts and reserve recognition are used to evaluate oil and gas producing operations;
- Explain the international dispute resolution framework and institutions in the context of expert decisions, mediation arbitration and litigation;
- Suggest the principal standard form contracts used in the industry including the North Sea LOGIC/CRINE standard form contracts and the Association of Independent Petroleum Negotiators (AIPN) standard form contracts.

# Course Contents, Concepts, & Issues.

## Dip. Postgraduate Course Outline:

While, so far, we have Provided Pertinent Information, Incorporating Learning Objectives, Duration, Cost, Target Audience, & Coordinator, We have withheld Details of Course Contents, Concepts, & Issues. Delegates will receive the Specifics in attendance, At our International Locations, & Online.

### Part 1: Salient Accounting Concepts, Contexts, and Issues

### Part 2: Financial Governance and Standards

### Part 3: Drilling Development Costs, Under Successful Efforts Accounting

**Part 5: Accounting for Costs Associated With Drilling and Well Development, Based on Successful Efforts Method.**

**Part 6: Accounting for Drilling Development, Fishing, & Side Tracking Costs, Using Successful Efforts Method**

**Part 7: Proved Property Cost Disposition Accounting, With Successful Efforts Accounting**

**Part 8: Full Cost Accounting**

**Part 9: Accounting for Production Activities**

**Part 10: Petroleum – Oil and Gas - Production Cost, and Investment Decision Bases**

Postgraduate Short Courses are of a minimum of five days' Classroom-Based (10 days' Video-Enhanced Online) but less than 6 weeks' Classroom-Based (less than 10 weeks' Video-Enhanced Online) duration, are referred to as Diploma – Postgraduate. This means that they are postgraduate credits, towards a Postgraduate Certificate and Postgraduate Diploma. Postgraduate Certificate and Postgraduate Diploma represent Programmes of Study, leading or accumulating to Awards bearing their title prefixes. While we, refer to our short studies, detailed above, as 'Courses', those with duration of 6 weeks or 12 weeks In-Classroom (10- and 20-weeks' Video-Enhanced Online) are labelled 'Programmes'. Nevertheless, we conform to popular usage, by often referring to all study durations as 'Courses'. A mark of distinction, though, is that participants in a short course are referred to as 'Delegates', as opposed to the ascription 'Students', which is confined to those studying a Postgraduate Programme.

In line with the above notion, a Postgraduate Certificate might be earned through a 6 weeks' Intensive Classroom-Based Study, or 10 weeks' Video-Enhanced, or Face-To-Face, Online Delivery. Similarly, a Postgraduate Diploma might be studied for 12 weeks In-classroom or 20 weeks Video-Enhanced Face-To-Face. They might also be taken through a blend of both modes, providing that a minimum of 6 and 12 Credits and 180 or 360 Credit-Hours, respectively, are earned. You might Pick and Mix Courses, to create your preferred blend of Disciplines, or follow a predesigned Specialist route. They might accumulate from our

Postgraduate Short Courses, or through continuous study. [Please click to view and download our List of Specialist Postgraduate Certificate, and Postgraduate Diploma Programmes](#)

### **Credit-Hours and Credit-Values, in Diploma – Postgraduate - Award**

Credit-Hours are the actual amount of time that a lecturer or tutor spends with his or her students or delegates, in both Classroom-based and Video-Enhanced Deliveries. Each Five-Day Classroom-Based, or a Ten-Day Video-Enhanced (3 hours per day) Course consists of 30 Credit-Hours, while a 6-Day Classroom-based (12day Video-Enhanced) course amounts to 36 Credit-Hours. Because Credit-Values are calculated in multiples of 30 Credit-Hours, 60-89 Credit-Hours have a Double-Credit (2 Credit) value, while 90 Credit-Hours earn a Triple-Credit (3 Credits).

A delegate who successfully completes a Postgraduate Short Course of 30 or more Credit-Hours, but which is less than 180 Credit-Hours (Postgraduate Certificate), is awarded a Diploma – Postgraduate. This Award is assigned Credit-Values and Credit-Hours, as are exemplified by the following:

1. Diploma – Postgraduate – in Organisational Change Management, 30 Credit-Hours;
2. Diploma - Postgraduate - in Trainer Training: Training for Trainers, Double-Credit, 60 Credit-Hours:
3. Conveyancing and Property Valuation: Property Law, Double-Credit, 72 Credit-Hours:
4. Diploma – Postgraduate – in University and Higher Education Administration, Triple-Credit, 90 Credit-Hours;

### 5. Diploma – Postgraduate – in Tourism and International Relations, Quad-Credit, 120 Credit-Hours.

As in the first example, above, where the Credit-Value is not noted in an Award, it must be assumed that it is a Single-Credit Value.

#### Postgraduate Diploma Award

A Postgraduate Diploma Award is achieved with a minimum of 360 Credit-Hours, through continuous study, or an accumulation of Credit-Hours.

#### Postgraduate Certificate Award

A Postgraduate Certificate might be gained with a minimum of 180 Credit-Hours, through continuous study or Credit-Hours' accumulation.

#### Cumulative Postgraduate Certificate, and Postgraduate Diploma Awards

All Postgraduate Short Courses accumulate to a Postgraduate Certificate and a Postgraduate Diploma, on a 'Pic and Mix' or Specialist basis. This means that we maintain academic records for each delegate, indicating the courses studied, with their Credit-Value and Credit-Hours, as are indicated above, '**Credit-Hours and Credit-Values, in Diploma – Postgraduate – Award**'. The Credit-Hours are aggregated to accumulate to at least 180 and 360 Credit-Hours, for a Postgraduate Certificate and a Postgraduate Diploma, respectively. Each Short Course Award (below a Postgraduate Certificate) indicates both its Credit-Value and Credit-Hours, excepting for Single-Credit.

#### Accumulated Postgraduate Certificate, and Postgraduate Diploma Awards

All Specialist Postgraduate Certificate and Postgraduate Diploma Programmes have predetermined Award Titles. Delegates who do not follow a specialism, for accumulation to a Postgraduate Certificate and Postgraduate Diploma, receive a Generalist, rather

than a Specialist, Award. However, a Specialist Award is given to delegates who studied at least seventy percent (70%) of their courses in a specialist grouping, as are exemplified above, under the heading '**Postgraduate Diploma and Postgraduate Certificate Specialist Award Titles**'.

Applicants for Diploma – Postgraduate; Postgraduate Certificate; and Postgraduate Diploma are required to submit the following documents:

- Completed Postgraduate Application Form, including a passport sized picture affixed to the appropriate section;
- A copy of Issue and Photo (bio data) page/s of the applicant's current valid passport or copy of 'Photo-embedded' National Identity Card;
- Copies of credentials stated in the Application Form.

### Admission and Enrolment Procedure

- On receipt of all the above documents, they will be forwarded to our 'Admissions Committee', which will assess applicants' suitability for the Course or Programme for which they have applied;
- If they are accepted on their chosen Course or Programme, they will be notified accordingly, and sent Invoices;
- Upon receipt of an applicant's payment, we will send him or her an Official Payment Receipt, and Admission Letter, bearing a copy of the Passport-Type in the respective Application Form.
- Those intending to study in a foreign country, and require a Visa, will be sent the necessary **Immigration Documentation**, to support their application;
- **Joining Instruction** will be sent to Students and Delegates, on time to prepare for their enrolment. The incorporated information include:
  - Venue Name, Location, with specific address;
  - Details of Airport Transfer, where appropriate;

- Start date and time;
- Registration details;
- Daily Schedule;
- Local Transportation Details;
- Residential Accommodation Details;
- Leisure and Shopping Facilities, in the area;
- General Security Information; among others.

Because of the intensive nature of our Courses and Programmes, for In-Classroom, and Video-Enhanced Online modes, assessment will take place during or at the end of the **‘active teaching period’**, adopting differing formats. These structures include, but are not limited to:

- In-Class Tests;
- Text-Case Analyses;
- Video-Case Analyses;
- ‘Out-of-Class’ Assignments;
- Individual Presentations;
- Group Presentations; and
- End of Course Examinations.

Based on these assessments, successful candidates will receive either a:

- Diploma – Postgraduate - Award;
- Postgraduate Certificate Award; or
- Postgraduate Diploma Award.

For all the above Awards, a minimum of 70% overall pass is expected. To receive the Awards of Postgraduate Certificate and Postgraduate Diploma, candidates must have accumulated at least the required minimum ‘Credit-Hours’, with a pass (of 70% and above) in at least 70% of the courses taken.

Delegates and students who fail to achieve the requirement for Postgraduate Certificate, Postgraduate Diploma, or Diploma - Postgraduate - will be given support for 2 re-submissions for each course. Those delegates who fail to achieve the assessment requirement for the Postgraduate Diploma or Diploma - Postgraduate - on 2 resubmissions, or those who elect not to receive them, will be awarded the Certificate of Attendance and Participation.

In a move away from the traditional online courses and embracing recent developments in technology-mediated distance education, HRODC Postgraduate Training Institute has introduced a Synchronous (Video-Enhanced) delivery.

You are taught as individuals, on a one-to-one or one-to-small-group basis. You see the tutor face to-face, for the duration of your course. You will interact with the lecturer, ask, and address questions; sitting examinations, in his or her presence. It is as real as any face-to-face lecture and seminar can be. Choose from a wide range of Diploma – Postgraduate - Courses and an increasing number of Specialist Postgraduate Certificate and Postgraduate Diploma Programmes. You might also accumulate Postgraduate Short Courses, via this mode of study, over a **12-year period**, towards a Postgraduate Certificate or Postgraduate Diploma.

### **Key Features of Our Online Study: Video-Enhanced Online**

- The tutor meets the group and presents the course, via Video, in a similar way to its classroom-based counterpart;
- All participants can see, and interact with, each other, and with the tutor;
- They watch and discuss the various video cases and demonstrations that form an integral part of our delivery methodology;
- Their assessment is structured in the same way as it is done in a classroom setting;

- The Video-Enhanced Online mode of training usually starts on the 1<sup>st</sup> of each month, with the cut-off date being the 20<sup>th</sup> of each month, for inclusion the following month;
- Its duration is twice the duration of its classroom-based counterpart. For example, a 5-day (30 Credit Hours) classroom-based course will last 10 days, in Video-Enhanced Online mode. This calculation is based on 3 hours tuition per day, adhering to the Institute's required 30 Credit-Hours;
- The cost of the Video-Enhanced Online mode is 67% of similar classroom-based courses;
- For example, a 5-day classroom-based course, which costs Five Thousand Pounds, is only Three Thousand Three Hundred and Fifty Pounds (£3,350.00) in Video-Enhanced Online Mode.

You might study an Online Postgraduate Certificate or Online Postgraduate Diploma, in 10 and 20 weeks, respectively, in the comfort of your office or homes, through HRODC Postgraduate Training Institute's Synchronous (Video-Enhanced) Online Delivery. We will deliver the 180 Credit-Hours and 360 Credit-Hours, respectively, in line with our **Regulation**, through 'Direct-Lecturer-Contact', within the stipulated timeframe. We aim to fit the tuition around your work, family commitment and leisure, thereby enhancing your maintenance of an effective 'work-study-life-style balance', at times convenient to you and your appointed tutor.
