delegate should accumulate at least 180 study-hours, in order to qualify for a Postgraduate Diploma. This requirement includes a minimum of 120 hours Direct Lecturer Contact and a minimum of 60 hours supervised or self-directed study.

### HRODC's Quality Assurance

The 50% minimum attainment requirement for the HRODC Postgraduate Diploma and HRODC Diploma - Postgraduate - is an attestation to our concern for quality and exceptional performance. This 'standard' is in line with most British Universities, some having recently moved away from their traditional 40% attainment requirement. One of the several ways in which HRODC assures academic and professional quality is to ensure that most of its consultants hold a PHD in their areas of specialism. The lowest qualification of any consultant at HRODC is an MA and, or, MSc. These qualifications are in addition to relevant experience and continuous development. While most applicants to HRODC Postgraduate Diploma and HRODC Diploma - Postgraduate - Programmes are holders of Undergraduate and Postgraduate Degrees, some being Professors of internationally renowned Universities, others do not hold a degree but have substantial work and life experience to excel in the courses. In addition, HRODC has instituted the '180-HourRule', wherein a delegate should accumulate at least 180 study-hours, in order to qualify for a Postgraduate Diploma. This requirement includes a minimum of 120 hours Direct Lecturer Contact and a minimum of 60 hours supervised or self-directed study. Specialist Diploma such as the HRODC 'Postgraduate Diploma in Executive Management' consists of 540 hours.

In addition to the above, HRODC has incorporated the following additional Quality measures in its Postgraduate Degree Programme – These can also be found in the document *Regulation For HRODC Postgraduate Degrees – MBA, MA, MSc Programmes*

1. The length of the Dissertation will be between 15,000 and 20,000 words. Higher or lower limits can only be accepted through special dispensation, tabled through their Dissertation Tutor;
2. Delegates will be assigned one Main Dissertation Supervisor, for formal tuition, and a Dissertation Mentor, who will provide them with informal advice, in conjunction with their Main Dissertation Supervisor;
3. Delegates' Viva Voce, or Oral, Examination will be conducted within 3 months of the submission of their Dissertation;
4. The Dissertation Examination will be conducted by an External and an Internal Examiner;

5. The External Examiner will be drawn from a recognized University and will be an Academic in the Discipline, who is not otherwise associated with HRODC;
6. The Internal Supervisor will be an HRODC Tutor, who is neither Delegates' Main Dissertation Supervisor or their Dissertation Mentor;
7. The submission date of a Masters Dissertation is expected to be within 12 calendar months of their initial registration for the Degree but can be extended, on application, to a period not exceeding 24 months;
8. In the event that Delegates were not successful on the first attempt, they will be given the opportunity to make minor amendment to, or revise, their Dissertation, with the guidance of their Dissertation Supervisors.
